JOIN THE MOVEMENT! **OUR** New Scotland

We share the vision of enhancing the Town of New Scotland by bridging local business owners with residents in a special community group. Through reciprocal sharing of information, ideas, marketing, connections, and community involvement among like-minded business owners, we are weaving together residents, businesses, and local authorities. We are strengthening New Scotland for businesses and residents alike!

ONS welcomes all types of businesses, from direct sales and service businesses to brick-and-mortar retail to consumer, as well as non profits and associations. We offer a range of opportunities from sharing inspiration and connections, to group marketing as we expand avenues to support businesses in New Scotland. We are excited to help all businesses thrive in and around **Our New Scotland!**
